Co-Chairs:

Lakhmi Jain, University of South Australia

Mia K. Markey, The University of Texas

Sample Session Topics:

pattern recognition, image processing, expert systems, knowledge representation

KES2008 is organized by the University of Zagreb and its Faculty of Electrical Engineering and Computing in conjunction with KES International. The conference will take place in Zagreb, the capital of the Republic of Croatia. Zagreb is an old Central European city located on the intersection of important routes between the Adriatic coast and Central Europe. The conference will consist of keynote talks, oral and poster presentations, invited sessions and workshops, on the applications and theory of intelligent systems and related areas. It will provide excellent opportunities for the presentation of interesting new research results and discussion about them, leading to knowledge transfer and generation of new ideas. More information is available on the conference website: <http://kes2008.kesinternational.org/>

Important deadlines:

Submission of papers: 15 March 2008

Notification of acceptance: 1 April 2008

Final paper to be received by: 1 May 2008
